

Dear LEAP Parent/Guardian,

Pursuant to N.J.S.A. 18A:7C-6.6, beginning in the Fall of 2016 school districts must, by October 1 of each year provide parents specific information on State assessments or commercially developed standardized assessments that may be administered to your child during the school year. It is very important to note that all students may not be administered all assessments. Additionally, the allotted timeframes are approximate timeframes and students may be permitted extra time or accommodations as outlined in an IEP or 504**. Please do not hesitate to reach out to your child’s principal should any questions arise.
